

Queue

(enqueue, dequeue)

Presented by Hira Iqbal

```
queue = []
```

```
# enqueue
```

```
queue.append(10)
```

```
queue.append(20)
```

```
queue.append(30)
```

```
print("Queue:", queue)
```

```
# dequeue
```

```
print("Dequeue:", queue.pop(0)) # O(1)
```

```
print("After dequeue:", queue)
```
